FOR
SOMETHING

MADE
BRICKBY

Support our essential costs and you'll get more than a warm fuzzy feeling: we'll give you bespoke advertising space, free tickets and invitations to exclusive events. The venues we work with have loyal audiences, so your investment can help you to reach new customers. Your logo can share billboard space on our posters or our 6,000 flyers. We can publicise your website link via a 38,000 strong newsletter subscription. But perhaps a lasting editorial description in a published play-text is more your thing? Sponsor our trailer and, by harnessing the social media channels available to us, your brand could be viewed by up to 80,000.

REHEARSAL SPACE

We've rehearsed in cupboards, basements and garages. It's not very practical. A room of one's own is an essential facility that we can't do without.

Suggested donation: £1000
(approx. one week's rent)

SET

It has to be designed, found, transported, built, painted, papered, glue-gunned and safety-checked to be used and enjoyed. It takes a lot of people, serious skills and significant resources to make one set happen.

Suggested donation: £3000

ACTORS

The play's the thing. But it's hard to get off the ground without a decent troupe of actors. They're an essential piece of kit that we treat well and pay fairly by standard industry rates.

Suggested donation: £4000
(one actor)

EDUCATION

You can't put a price on this. We like to offer free tickets to school pupils and other groups who do not normally access the arts. We have an excellent track record in this area. Work with us and you will see it for yourself.

Suggested donation: £5000
