MORALE

The details that make a big difference when working with a small budget: tea and coffee, photocopying or a few pounds toward contingencies. Whatever you can spare, we can put it to good use.

Suggested donation: £10 -£200

SKILLS

Sometimes no one but a carpenter, seamstress or puppeteer will do. Help us to hire the support we need to make the show the best it can be.

Suggested donation: £200 -£500

RESOURCES

It's true. Some shows can be staged with just one chair. However, most need more than sticky-back plastic and poetic licence to capture the audience's imagination.

Suggested donation: £1000 - £3000

PEOPLE

The most valuable aspect of any project. A modest production will involve a team of twenty or more to make it happen. Without people power there is no story, no show, no set and no community engagement.

Suggested donation: £3000 - £5000

WE ARE MADE BY YOU.

We welcome the attentions of one-off supporters and lifelong friends. We guarantee that you will get as much out as you put in. Programme acknowledgement is a given, whilst free tickets are more than likely. However, the more we are able to do the more we can offer in return. Moving upwards, we'll invite you to exclusive events or a sneak peek at our rehearsals; or even a champagne reception with the cast or even, perhaps dinner on the stage.
